

Society for Promotion of Science & Technology in India

Mobile Science Laboratory - Circus of Science, Vigyan Ka Jantar Mantar
Supported by NCSTC, Department of Science & Technology, Government of India

School Visits in district Kurukshetra (Haryana)

S.No.	Date	School Name	Principal	Boys	Girls	Total	Comments by Principals
1	5/9/2018	GSSS, Umri	Mamraj saini	206	151	357	The program was very knowledge giving experimens were related to the syllabus.students were able to learn batter by observing the experiments bieng conducted.These types of program should be repeted in school.
2	6/9/2018	GSSS, Pipli	Shri Vipin Sharma	35	35	70	The method of demonstration was very attractive & intersting. Mobile science lab team was very expert. They shown many activities of physics, chemistry, biology & even mathematics. I am highly thankfull to the society of promotion of science & technology in india for this act of innovation.
3	7/9/2018	GSSS, Beholi	Smt. Neena Sharma	108	94	202	The working of functioning of Mobile Science Lab in school is very good. It encourages the students about science by showing defferent intersting science project on energy, sound etc. The students of school were fully involved in different activities of science & hope it will continue for the benifits of the students.
4	10/9/2018	GSSS, Birmathana	smt.Sumitr Devi	37	24	61	Provided practical knowledge of science which is useful in daily life to promote students in scientific events. It removes superstition. It is very good and helpful to students. As practical knowledge create a scientific approach among the students, it should be organised time to time to provide knowledge to students.
5	11/9/2018	GSSS, Mathana	smt,Nirmal kumari	88	108	196	It was inspiring & charming and related with the students level. Students enjoyed and tried to participate in every activity.
6	12/9/2018	GSSS, Devidasspura	smt.Indu Kaushik	124	90	214	SPSTI encouraged students to take interest in science by performing simple experiments which explains basic concept of science very well. Students actively participated in this program. An excillent effort to promote science in school.
7	13/9/2018 14/9/2018	GGSSS, Thanesar	smt.Rama Sharma	0	608	608	Mobile science lab is very beneficial to enhance knowledge of science to students. The practical knowledge imparted by the educator is very fruitful and relevent to daily life. Sdudents actively participated in these two days workshop and shown curiosity towards experiments and also performed experiments thamselves. These types of activities should be performed time to time to create interest in science and technology among students.
8	17/9/2018 18/9/2018	GSSS, Kurukshetra	Smt.Santosh Sharma	264	0	264	Experiments shown by teachers were up to mark. Students gained knowledge in science subject and shown deep interest. Humans skelton was shown to students and learning power improved.
9	8/10/2018	GSSS, Ladwa	Smt.Kamal batra	170	181	351	Highly motivated, help to inculcate the interest of students toward science subject. Appreciable effort for students, learning by doing, such type of circus should be organised time to time for the scientific attitude.
10	9/10/2018	GGSSS, Ladwa	Sh.Chandra shehar	0	294	294	Experiments down were very helpful to students. Experiments were related to the syllabus & as such very exciting. Students enjoyed it and found science in each step of our daily life. They also replied that science is very interesting.
11	11/10/2018	GSSS, Mehra	Sh.Chandra shehar Kaushik	178	174	352	It is very beneficial for students to understand science with practicals. Their staff members are very efficient & do this work properly. I am very thankfull to Mr. Dharamvir ji for such gratefull.
12	12/10/2018	GSSS, Prahladpur	Sh. Shashishekhhar	121	128	249	The program was very informative. Students learnt a lot. Such type of programmes shoud be organised frequently.
13	15/10/2018	GSSS, Bani	Sh. Amarjeet Sharma	44	48	92	Highly motivated & inspiring programme for the promotion of science subject among students. Highly recommended in future.
14	16/10/2018	GSSS, Baraunda	Sh. Karam singh	133	95	228	Mobile Science Lab-Circus of science team motivated the students toward science & the teachers performed experiments very well. The children shown their interest & learnt about it. We are thankfull to SPSTI.
15	17/10/2018	GGSSS, Barout	Sh. Karam singh	115	111	226	Teaching way was very interesting. Students learnt many terms through experiments.
16	18/10/2018	GSSS, Khairi	smt.Shubham Sharma	91	103	194	Science and technology programme given by instructors of SPSTI was appreciable and praise worthy.
17	22/10/2018	GSSS, Lohara	Smt.Santosh Chauhan	57	62	119	Mobile science lab is very useful for inculcating interest in science among student. Learning by doing was done in proper way. Students were motivated and took interest in each and every activity. Good involment shown by students. Hope to visit again in near future.
18	23/10/2018	GSSS, Gudha	Dr.Balwant Singh	68	68	136	All the students from 9th to 12th participated in mobile science laboratory. The students of 11th and 12th were excited extremely for new innovation and experiments. Specially, claas 9th & 10th students became motivated for stream of science in future and we have to request the government to maintain our school science lab because our school science lab is not in functioning stage. For the knowledge of students we request to operate this type of classes(science) in our school.
19	26/10/2018	GHS, Ban	Sh. Balbir singh.	56	48	104	It was a wonderful experience for the students. They really enjoyed a lot. They learnt learning by doing. I hope the mobile science van will keep visiting the school again.
20	30/10/2018	GHS, Bapdi Bapda	Sh.Amarjeet Sharma	108	62	170	The mobile science lab shown the experiments of 9th and 10th class and the students participated. All the students enjoyed the experiments and did by themselves.We hope such type of science lab van visit again and again in future.
21	31/10/2018	GHS, Dabkhera	Mrs.Indu Sharma	56	44	100	Mobile science lab is a god initiative by central government for promotion of science and technology. Such type of programmes help in developing scientific attitude among students.
22	2/11/2018	GSSS, Babain	Sh.Ranveer Singh	100	63	163	Mobile science lab performed very well. It proved very good for learning of students. It increased the interest of students in the field of science & technology and helped in the development of scientific outlook.

23	12/11/2018	GSSS, Mangoli Jattan	Sh. Rampal	134	129	263	The concept of mobile science lab is really appreciating. The whole team is praise worthy. Students actively participated in all the demonstrations performed by the experts. Students were really excited to observe the experiments related to physics, chemistry & bio. I extend my best wishes to the whole team of SPSTL.
24	13/11/2018	GHS, Berthala	Sh. Pardeep Kumar	46	53	99	This program is a well effort for science knowledge reform. Staff of mobile science is well educated & dedicated. These activities should be done monthly in school for good knowledge.
25	15/11/2018	GHS, Bir kalwa	Sh. Ashwani kumar	62	71	133	Mobile Science Lab Circus of Science was excellent. The teachers of mobile science lab staff took interest to deliver about science material. They have their method was very good. Students were satisfied with them. They enjoyed the experiments performed by the teachers of science lab.
26	16/11/2018	GHS, Kasithal	Sh. Joginder kumar	73	41	114	This is a great initiative by Haryana Govt. & Department, helpful for teachers to convey the practicals of science. Mobile science lab is helpful for both Middle & High School students for learning basics with the help of practicals.
27	19/11/2018	GHS, Ramsaran Majara	Sh. Jaspal singh	73	83	156	SPSTI's Mobile Science Lab is very effective to all students. This is a very interesting & creative idea to enhance the interest of students toward science.
28	12/12/2018	Govt. Sr. Sec. School, Haripur	Sh. Shiv Dayal Singh	52	56	108	It is very good experience to see the science mobile van in school. It motivates the students for science & increase interest of students for science.
29	13/12/2018	Govt. Model Sr. Sec. School, Ismailabad	Sh. Ajaib singh	102	62	164	Excellent attempts.
30	14/12/2018	Govt. Sr. Sec. School, Ismailabad	Sh. Surender Singh Sidhu	70	107	177	Visit of circus of science has been & adervable experience for students in school. Impressive demonstrations were performed by members of SPSTI that has been really profitable. All the staff & Principal appreciates the project & campaign.
31	17/12/2018	Govt. Sr. Sec. School, Jandheri	Smt. Monika Aggarwal	40	40	80	A mobile science lab scheme is a very good idea. All students were happy after attending the programme of mobile science lab. Teachers and other workers are very honest and method of teaching was very impressive.
32	18/12/2018	Govt. Sr. Sec. School, Jhansa	Smt. Shashi Dhawan	121	118	239	This programme was very useful for the students and students performed experiments themselves and we hope such type of van come again and again in our school.
33	19/12/2018	Govt. Sr. Sec. School, Kalsana	Smt. Darshan Kaur	88	85	173	An experience beyond works to explain. All the students learnt a lot and enjoyed. All the practical activities done by the staff members of circus of science. We highly appreciative them for their students. We hope that the science lab must visit in our school in a month.
34	20/12/2018	Govt. Sr. Sec. School, Kharindwa	Smt. Indu Kaushik	110	145	255	Nice experience for students to attend this event. Aptitude & attitude of the of SPSTI are quite good. Students enjoyed the fun of experiments. I hope that such type of initiatives are born for students & where students get practical knowledge about science.
35	21/12/2018	Govt. Sr. Sec. School, Landhi	Sh. Rajiv Gupta	61	58	119	The program run by the NGO is an appreciable one. Through this experimentation, the students will be able to learn & understand the things in very systematic & easy manner. This will be helpful step to encourage the students to know more about science. The program should be organised atleast once in every six months.
36	24/12/2018	Govt. Sr. Sec. School, Charuni Jattan	Smt. Hardeep Kaur	55	37	92	Today, the mobile science lab performed their experiments related to science & the students participated to do these experiments. The work of mobile science lab was very good.
37	26/12/2018	Govt. Sr. Sec. School, Deeg	Sh. Jai Pal	69	74	143	The concept of mobile science lab is really good. It will create a great interest in science subject among the students
38	17/01/2019	Govt. Sr. Sec. School, Nalvi	Dr.Susheel Tyagi	86	82	168	The circus of science project is a very admirable step of depth. The employees and their work are inspiring the science education in an easy practical way. Such type of practicals should be conducted in 3-4 times in a session.
39	18/01/2019	Govt. Sr. Sec. School, Rawa	Sh.Shuhil Tyagi	54	41	95	It is a really very educative programme. The students were very excited and happy to see this. They learnt a no. of phenomenon by doing it themselves. The whole staff of mobile van need full appreciation.
40	21/01/2019	Govt. Sr. Sec. School, Sambhalkhi	Smt. Anju Bala	62	31	93	Today, the mobile science lab performed their experiments related to science & the students participated to do these experiments. The work of mobile science lab was very good.
41	22/01/2019	Govt. Sr. Sec. School, Shahabaad	Smt. Anju bala	112	74	186	Mobile science lab is quite beneficial for the students. It developed practical skills and increased the interest towards science. The activities shown are related to their surroundings and from their syllabus too.They enjoyed the session and done all the practical with interest.
42	23/01/2019	Govt. Sr. Sec. School, Sharifgarh	Mr. Sushil Kumar	49	47	96	This is a good job. Students enjoyed a lot and also actively participated in the whole activities.Team is very active and cooperative. It should visit at least once in two months as it will be proved very useful for students.
43	24/01/2019	Govt. Sr. Sec. School, Thol	Sh.Gian Singh	56	60	116	In this programme of SPSTI, experiments of physics and chemistry were shown to students. These experiments related to their theory and students got a lot of knowledge with these experiments. Season and photosynthesis process was shown through projector. We are very satisfied with this programme. This programme should be 5 or 6 times in a year.
44	29/01/2019	Govt. Sr. Sec. School, Kirmach	Smt. Baljit Kaur	71	66	137	Mobile science lab is very good and right initiative for knowledge. Knowledge of practical remains good. Very interesting and motivational. Beneficiary for practically knowledge. Gives energy and subject knowledge.
45	5/2/2019	Govt. Sr. Sec. School, Amin	Smt. Savita Sharma	112	108	220	Experience for mobile science lab was very interesting for exhibition and practical experience. Students get more inovative ideas. Great experience for students.
46	6/2/2019	Govt. Sr. Sec. School, Balahi	Smt. Madhu Chauhan	68	51	119	Science is one of the subjects taught to every grade which require practical knowledge and hands on experience. Such a mobile science van provides practical knowledge in all subjects physics, chemistry and biology. Students can easily learn concepts of science by such activities.

47	8/2/2019	Govt. Sr. Sec. School, Bhiwani Khera	Smt. Kusumlata	41	43	84	Today, the science van the circus of science visited our school and displayed many interesting science experiments. Students actively participated in those activities. This great opportunity provided students a very deep and ever learning knowledge about some concepts of the science. This should be a regular affair in the school to make the students learn the subject by fun.
48	13/02/2019	Govt. Sr. Sec. School, Yara	Sh.Rajbir Singh	65	46	111	Very nice programme. Students participated actively and enjoyed.
49	14/02/2019	Govt. Sr. Sec. School, Mirjapur	Smt. Sweety Arora	90	96	186	A Mobile Science Lab -Circus of Science came in our school on 14/02/2019. The science equipments in mobile lab are related to practical work of curriculum of secondary classes. The teachers concerned demonstrated all the experiments to students in well planned way indeed it is knowledgeable for the students. It enhanced their knowledge learning by doing.
50	15/02/2019	Govt. Sr. Sec. School, Partapgarh	Mr. Darbar Singh	69	53	122	Mobile Science lab is a very good approach for promotion of science and technology for govt. schools. Through this students can learn practically.
51	18/02.2019	Govt. Sr. Sec. School, Rattandera	Sh.Ram Kumar	65	67	132	Today a Mobile Science Lab came in our school. The demonstrators of mobile science lab shown the experiments of physics, chemistry and biology. All the experiments were related to our syllabus. Students get more interest in the whole session, because the demonstrators tried them with a beautiful manner. G.S.S.S Rattan Dera gives an admiration to mobile science lab and their work.
52	19/02/2019	Govt. Sr. Sec. School, Ajrana Kalan	Smt. Shushma Sharma	92	5	97	The Mobile Science Laboratory Van -Circus of Science is very useful initiative for students. It eliminates the compexity and fear regarding science subject from students mind. Laboratory van Teachers performed equipments by engaging the students. Students learnt experiments & activities in a funnyway. We request you to make frequent visits to the school.
53	21/02/2019	Govt. Sr. Sec. School, Barna	Mrs. Rita Bathla	84	92	176	All the experiments demonstrated were very useful and syllabus related based.The whole session was very exciting and knowledgeable.
54	26/02/2019	Sugni Devi Arya Girls Sr. Sec. School, Ladwa	Mrs. Meenakshi Chhabra	30	150	180	Experiments shown by Mobile Science Lab were useful and related to their syllabus prescribed by NCERT. Students enjoyed a lot. This is the age of experimental learning. We must create interest for Science among the students. I recommend for more classes, seminarin future.
55	16/04/2019	Govt. Sr. Sec. School, Bhusthala (Thanesar)	Dr. Balwant Vats	59	35	94	Mobile science is very good. It increases the knowledge of students. Students are very interested in science lab. Thanks for it.
56	19/04/2019	Govt. Sr. Sec. School, Dudhla-Morthla (Thanesar)	Sh. Ranbir Singh	86	73	159	The mobile science lab visited in our school. The demonstrator were goog & good explain. I request DST, so that Mobile Science Lab visits twice in a month.
57	22/04/2019	Govt. Sr. Sec. School, Hathira (Thanesar)	Smt. Santosh Kumari	40	37	77	All students learn the things practically. They feel good after performing experiment with own hand. Overall it is very good program. Teachers teach the things very simple & practically method.
58	23/04/2019	Govt. Sr. Sec. School, Jyotisar (Thanesar)	Smt. Rita Bathla	70	54	124	This program incalcate new spirit of learning among our children, quit good & intractive.
59	24/04/2019	Govt. Sr. Sec. School, Kamoda (Thanesar)		70	50	120	A team of SPSTI today visited Govt. Sr. Sec. School Kamoda. Students of class 9th, 10th, 11th & 12th students participated in various activities. Session divided into two parts physics & chemistry. They explained & demonstrated various activity in intersting way. Overall presentation, explanation was good.
60	25/04/2019	Govt. Sr. Sec. School, Kanipla (Thanesar)	Smt. Ishwar Devi	69	54	123	Models of Bio., Phy & Chem. Also Mathematics were displayed. Students performed the experiments. Demonstrators explained very well. All students got attracted by the demonstration. Waiting for revisit
61	26/04/2019	Govt. High School, Ajrana kalan (Thanesar)	Sh. Sanjay Kumar	0	125	125	Students appreciate the laboratry mobile science. They graps the knowledge about science in daily use activity. I thanks to the society for promotion of science & technology in india in such village. Thanks once again.
62	29/04/2019	Govt. High School, Barwa (Thanesar)	Sh. Mahesh Kumar	43	49	92	practicals done by teachers are very effective. Students participate actively & the experiments of phy bio chem are good. They perform activits very well.
63	30/4/2019	Govt. High School, Dabkheri (Thanesar)	Sh. Sandeep Sharma	85	100	185	The presentation was very educative, entractive, entertaining & easily understandable. The students were give appurtunity to do experiments & there involvement was full.
64	1/5/2019	Govt. Sr. Sec. School, Dhurala (Thanesar)	Mrs. Nisha Rani	74	54	128	It is very intersting for students. Students learnt practically about the fact of science.
65	6/5/2019	Govt. Sr. Sec. School, Kanipla (Thanesar)	Sh Ishwar Devi	95	61	156	so motivated, very educative, students got attracted.
66	8/5/2019	Govt. High School, Hassanpur (Thanesar)	Sh. Kamlesh Sharma	37	23	60	The mobile bus (SPSTI) was visited in our school. The student participated in every activities and the demonstrators were very good.
67	9/5/2019	Govt. High School, Kainthal Khurd (Thanesar)	Sh. Dharam Singh	39	36	75	All the demonstrations are done very influential and effective way. The experiments perfomed related to subjects and I request to SPSTI to revisit again to my school.
68	10/5/2019	Govt. High School, Lohar Majra (Thanesar)	Smt. Kamlesh Devi	94	76	170	It is an amazing experience for students. All the experiments are very wonderful. Student catch new information about science practical. All the studenta have been encouraged by lectures of mbile science laboratory by delivering lectures on science topics.
69	13/5/2019	Govt. High School, Lukhi (Thanesar)	Sh. Jagadish Chander	34	33	67	Very useful for students. They learnt as well as enjoyed a lot. Very amazing mobile science lab.
70	14/5/2019	Govt. High School, Palwal (Thanesar)	Sh. Ashwani Kumar	86	45	131	Working and demonstration by SPSTI was commendable. Staff teachers were well prepared in respective subjects.
71	15/5/2019	Govt. High School, Pindarsi (Thanesar)	Dr. Kamlesh Kumari	51	53	104	Mobile science is a good approach to uplift science in student's mind. It touches every topic of science and every topic of each class. I thank for coming and hope for coming again.
72	16/5/2019	Govt. High School, Sirsama (Thanesar)	Sh. Sukhdev Singh	69	66	135	Students take interest in practical demonstration by SPSTI stuff. I thank SPSTI and hope to visit again.
73	17/5/2019	Govt. High School, Thanesar (Nath Mandir)	Smt. Praveen Rani	72	74	146	I request to SPSTI please visit in our school twice in a month. The demonstrators were good and they do practicals related to subjects and I thank to SPSTI stuff.
74	21/5/2019	Govt. High School, Udarsi (Thanesar)	Sh. Anil Kumar	37	23	60	Outstanding demo given by Mr. Tarun Sharma and Aman Kumar and all members of SPSTI team. Students of 9th and 10 th class enjoyed science activities related to subjects.

75	4/6/2019	Govt. Sr. Sec. School, Kurukshetra	Sh. Santosh Sharma	26	42	68	The presentation was very educative, enttractive, entertaining & easily understandable. The students were give appurtunity to do experiments & there involvement was full.
76	6/6/2019	Doon Public School, Ladwa	Dr. Anita Devi	78	50	128	The visit of mobile science lab to Doon Public School Ladwa was an effective achievement of our students. In summer school students get knowledge with learning by doing and enjoyed a lot by knowing practically. The practical were very interesting.
77	16/07/2019	Govt. High School, Tigri Khalsa (Thanesar)	Sh. Sumer Chander	77	52	129	Mobile science lab very intersting & creative for students. Students take interst in seinetific experiment & take enjoy also learning by scientific method.
78	17/07/2019	Govt. High School, Ajrawar (Shahabad)	Sh. Manjeet Singh	63	44	107	Mobile Science Lab is very good step towards quality science education. It is good method for all schools but best for those school where science lab is not available. Such type of events create smartest or motivation in students. Mobile science teachers also doing their best.
79	18/07/2019	Govt. High School, Kalyana (Shahabad)	Sh. Pardeep Sharma	52	46	98	Today mobile science van came in our school. It inspire, curiosity,encourage, creativity, critical thinking among the students in govt. school through hands on, interactive learning methods for science education.
80	19/07/2019	Govt. High School, Khanpur Jattan (Shahabad)	Sh. Lakhvinder Pal Singh	33	25	58	Demonstration given by instructor was very good & interesting. It was very well understood by the students & well appreciated by all teachers
81	22/07/2019	Govt. High School, Nagla (Shahabad)	Sh. Harjinder Singh	37	34	71	Mobile science lab- Circus of science is a very useful service to provide students knowledge about science activity through practical methods. We woude like to have this kind of activities again in our school in future.
82	23/07/2019	Govt. High School, Padlu (Shahabad)	Sh Satvinder Singh	32	35	67	It was remarkable. It was interesting programme. Students participated, learnt & also get practical knwledge.
83	24/07/2019	Govt. High School, Shahabad (M)	Sh. Harjinder Singh	0	44	44	This program of mobile science lab was quiet innovative & knowledgable for students. The students enjoyed a lot and learnt new methods. This program was a successful for students as well as teachers.
84	25/07/2019	Govt. High School, Shantinagar (Shahabad)	Mrs. Jyoti Gaba	28	43	71	It was extremely practical learning and concept learning project.
85	26/07/2019	Govt. High School, Sudhpur (Shahabad)	Sh. Ramesh Kumar	31	59	90	Good presentation & very useful for students to enhance their knowledge about science & technology. Students also learnt & enjoyed the activities.
86	29/07/2019	Govt. High School, Surakhpur (Shahabad)	Sh Pritpal Singh	90	59	149	Very usefull for the students. Experiments shown are very attractive and help students for understanding science in easy & interesting manner. It performed innovation in students. SPSTI's staff put good efforts toward students.
87	30/07/2019	Govt. High School, Tangore (Shahabad)	Sh Ashok Kumar	35	28	63	Outstanding demo given by Mr. Tarun Sharma and Aman Kumar and all the members of SPSTI's team. Students of 9th and 10th classes enjoyed science activities related to subjects.
88	1/8/2019	Govt. High School, Teora (Shahabad)	Mrs. Jaswinder Singh	58	56	114	All staff with mobile science van has well demonstrated experiments to the students. Mr. Aman has demonstrated chemistry & biology experiments. Students and school staff members has enjoyed much fun with their experiments & it will be very beneficial to the students & inculcate scientific attitude and values among students. I am thankfull to all for their kind co-operation.
89	2/8/2019	Govt. Sr. Sec. School, Dhurala (Thanesar)	Smt. Nisha Rani	117	84	201	It is very interesting for students. Students learnt practically about the facts of science
90	5/8/2019	Govt. Sr. Sec. School, Sarsa, Pehowa	Sh. Narsi Ram	187	154	341	Demonstrations given by instructors were very good & interesting. It was very well understood by students & well appreciated by all teachers
91	27/8/2019	Govt. Sr. Sec. School Murtzapur, Pehowa	Sh. Virender Walia	74	99	173	All the experiments are performed very well. Students participated actively, related topics were cleared to the students. The staff of SPSTI spent full day in school & it was really beneficial for the students.
92	28/08/2019	Govt. Sr. Sec. School, Sandholi, Pehowa	Sh. Satpal Rohilla	177	173	350	(28-8-2019) Science lab exhibition was performed at the school. The students of all classes participated in exhibition. They learnt many science instruments & practicals by easy methods.
93	29/8/2019	Govt. Sr. Sec. School (Boy), Pehowa	Sh. Madan Lal	165	0	165	The activities & experiments performed by the experts were very good & students were taking full interest in the experiments of science. There should be atleast one visit in fifteen days. The participation of students in experiments was good & it is very usefull for students in study.
94	30/08/2019	Govt. Girls Sr. Sec. School, Pehowa	Sh. Om Parkash	0	193	193	Mobile Van for science experiments is very helpful to understand science & its utility. It also help the students for knowledge of day to day science.
95	31/8/2019	Govt. Sr. Sec. School Surmi, Pehowa	Sh. Rajender Sharma	49	44	93	Students participated actively in performing science experiments. They asked many questions related to these experiments & gained knowledge. These lab activities are very useful for the students.
96	2/9/2019	Govt. Sr. Sec. School Thana, Pehowa	Sh. Kashmir SINGH	257	148	405	It was a good experience for the students. They performed the experiments themselves. It is helpful in creating scientific attitude among students. Students learnt by doing the experiments.
97	4/9/2019	Govt. Sr. Sec. School, Bherian, Pehowa	Sh. Jatinderpal Singh	91	113	204	Today, Mobile van came in our school. The SPSTI staff demonstrated science experiments which were related to syllabus & students participated & gained knowledge about science experiments.
98	5/9/2019	Govt. Sr. Sec. School, Urnaicha, Pehowa	Mrs. Hardish Kaur	241	197	438	Presentation of experiments was very good. Students took keen interst. In future these programs should be continued.
99	6/9/2019	Govt. Sr. Sec. School Dhoolgarh Guldehra	Sh. D.S. Swami	103	103	206	The way of demonstrations was awesome. Staff is highly dedicated in content delivery. Practical approach in content delivery is always intersting & this team delivered their full potential for achieving their target.
100	7/9/2019	Govt. Sr. Sec. School Bheteri	Mrs. Shashi Prabha	61	52	113	Mobile Science lab is a inovative idea. It is very helpful for improving the practical skills of students & enhancing the knowledge about science & also helpful in developing interest in science.
101	9/9/2019	Govt. Sr. Sec. School Harigarh Bhorakh	Sh. Khem Chand	83	66	149	The demonstrations by the team of mobile science laboratory were very good & inspiring. The students took great interest in the practicals. Also the program was very good & inspiring.

102	10/9/2019	Govt. Sr. Sec. School Bodhni, Pehowa	Sh. Yogdutt singh	103	70	173	Science is one of the subjects taught to every grade which require practical knowledge and hands on experience. Such a mobile science van provides practical knowledge in all subjects physics, chemistry and biology. Students can easily learn concepts of science by such activities.
103	11/9/2019	Saheed Javinder Singh Govt. Sr. Sec. School Talheri, Pehowa	Mr. Ved Parkash	57	48	105	The project of science lab is very good and motivating for our students. The teachers connecting with it presenting themselves as like science experts and they motivated our students for enhancing science program and projects. We are very gratefull for organnizing such type of motivational projects.
104	12/9/2019	Govt. Sr. Sec. School Bakhli	Sh. Ramesh Chander	179	174	353	Students gained knowledge from the Mobile Science Laboratory. The staff of SPSTI explained very well. The staff of SPSTI spent full day in school & it was really beneficial for the students.
105	13/9/2019	Govt. Sr. Sec. School Seonser	Sh. Raj Kumar	88	93	181	All the experiments demonstrated were very useful and syllabus related. The whole session was very exciting and knowledgeable. Such type of practicals should be conducted 3-4 times in a session.
106	16/9/2019	Govt. Sr. Sec. School Kalsa	Sh Virender Garg	72	59	131	Remarkable job by the teachers of Mobile Science Laboratory. They covered all the basic topic of physics, chemistry, biology & Mathematic with full fun & excitement. Students learnt many things which definitely will help them in their exams. So, Thanks to MSL & Best of luck for future & definitely we will meet again in future with new experiments.
107	17/9/2019	Govt. Sr. Sec. School Thaska Miran ji	Mr. Ram Karan	59	64	123	The program was very knowledge & experimens were related to the syllabus. Students were able to learn better by observing the experiments bieng conducted. These types of programa should be repeated in schools.
108	18/9/2019	Govt. High School Bhole Saidan	Sh. Sanjay Kumar Kharbanda	56	41	97	All the students from 9th & 10th participated in mobile science laboratory. All students bacame motivated for stream of science in future. It is helpful in creating scientific attitude among students. Students learnt by doing the experiments
109	19/9/2019	Govt. High School Bhatt Majra	Sh. Ragubir Singh	106	125	231	Experiments shown by teachers were up to mark. Students gained knowledge in science subject and shown keen interest. Humans skelton was shown to students and learning power improved.
110	20/9/2019	Govt. High School Urnai	Sh. Ram Diya	78	70	148	It was inspiring, charming and related with the level of the students. Students enjoyed and tried to participate in every activity.
111	5/10/2019	BPR International School, Sarai Sukhi	Mr. Hardeep Singh	57	51	108	This program was very helpful for our school. SPSTI performed many experiments & maximum were hands on experiment . Students learnt many topics related to science in easy way. Our school is really thankful to SPSTI for this program.
112	7/10/2019	Govt. High School Malikpur	Sh. Baldev Kumar	81	54	135	The MSL was very good for students. SPSTI's Staff performed many experiments related to science (physics, chemistry, biology & mathematics). We thank to MSL & request to visit again in future.
113	9/10/2019	Govt. High School Raun	Sh. Krishan Kumar	34	44	78	It is very good program for promotion of science. It gave exposure to students about science experiments & practicals.
114	10/10/2019	Govt. High School Jalbehra	Smt. Pritika	91	94	185	Very usefull for students. Experiments shown are very attractive and help students for understanding science in easy & interesting manner. It perform innovation in students. SPSTI's staff put very good efforts toward students.
115	11/10/2019	Govt. High School Ishaq	Dr. Rajiv Kumar	139	71	210	MSL is very good initiative of the departments. It will be encouraging students towards science subjects. The demonstration of SPSTI's staff was very good . We thank to SPSTI for this program & hope MSL will come in future.
116	14/10/2019	Govt. High School Jakhwala	Sh. Virender singh	43	43	86	It was very usefull for students to understand science concepts practically.
117	15/10/2019	Govt. High School Megha Majra	Sh. Prithvi Singh	49	30	79	Today MSL came in our school & the staff of SPSTI performed many experiments & also students performed hands on experiments of Chemistry & Physics.
118	16/10/2019	Govt. High School Naisi	Miss Sangita Rani	46	42	88	Mobile science lab is quiet beneficial for the students. It developed practical skills and increases the interest towards science. The activities shown are related to their surrounding and from their syllabus too. They enjoyed the session and performed all the practicals with interest.
119	19/10/2019	Govt. Sr. Sec. School Gumthala Garhu	Sh. Ramraj	172	104	276	Today mobile science van came in our school. It inspired, raised curiosity, encouraged, creativity, critical thinking among the students in govt. school through hands on, interactive learning methods for science education.
120	23/10/2019	Govt. High School Ramgarh Rorh	Sh. Ranmender Singh	56	55	111	It was very good programe & really beneficial to students. Students learnt many science experiments . Thanks to SPSTI & we hope that MSL will come in future agin.
121	24/10/2019	Govt. Sr. Sec. School Kakarala Gujran	Sh. Kuldeepm Singh	142	174	316	It is a good initiative from education dept to provide science knowledge through practical work. MSL team dedicatively performed their duty. Students took interest & program should be continued in future
122	25/10/2019	Govt. High School Diwana	Sh. Sunil Kumar	43	48	91	Remarkable job by teachers of Mobile Science Laboratory. They covered all the basic topic of physics, chemistry, biology & Mathematics with full fun & excitement. Students learnt many things which definitely will help them in their exams. So, Thanks to MSL
123	22/11/2019	Govt. High School Urnai	Sh. Ram Diya	61	60	121	Provided practical knowledge of science which is useful in daily life to promote students in scientific events. It removes superstition. It is very good and helpful to students. As practical knowledge creates a scientific approach among the students, it should be organised time to time to provide knowledge to students.
124	16/12/2019	Govt. Sr. Sec. School Babain	Dr. Sachinder Kaura	67	139	206	Students were taking intrest in experiments & nice efforts done by Society For Promotion of Science & Technology in India. Iwish them success in their venture & request for revisit in future.
125	17/12/2019	Govt. Sr. Sec. School Mangoli Jattan	Sh. Ram Pal	319	271	590	Presentation of experiment by demonstrator was quit effective. Such program need to repat continously.
126	18/12/2019	Govt. High School Berthala	Sh. Bintu Ram	38	42	80	The Demonstration way was very good & students took participate in all experiments. Thanks SPSTI & we request to revisit in our school in every three months.

127	19/12/2019	Govt. High School Bir Kalwa	Sh. Ashwani Kumar	73	86	159	Today mobile science lab came in our school bir kalwa. No. experimets were performed by both Experts Mr. Aman Kumar & Mr. Harshdeep Singh. Experiments activity were related to Syllabus. Both experts motivated the students. We thanks SPSTI & requisit to revisit in our school Bir Kalwa in every months.
128	20/12/2019	Govt. High School Kasithal	Sh. Ishwar Singh	71	74	145	Experts performed very well & students took intrest in all activity perormed by both experts. We thanks MSL & revisit in future.
129	21/12/2019	Govt. High School Ramsaran Majra, Babain	Sh. Jaspal Singh	124	130	254	MSL is very innovative & intersting way to promote Science in school. They increased curiosity about scientif facts. Students Enjoyed every Activity.
